

I am not in favor of the FCC introduction of LPFM to our community! I disagree with the assertion by advocates of LPFM that there is little value in national or regional services such as K-LOVE! K-LOVE is broadcast daily in our community providing me with news, weather, and positive & encouraging format I can trust. I don't have to worry about foul language, crude humor, racial jokes or inappropriate lyrics for my family! If K-LOVE was displaced by a LPFM, the Memphis area would be without a music based FM station with a wholesome format! Many families would be forced to turn off their radios or accept standards that are opposed to their values! K-LOVE's service is in the public interest because a large percentage of family-listeners rely on K-LOVE to provide family-friendly programming. Your consideration of my comments is greatly appreciated!
